

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 2850 - SB 2710**

February 6, 2012

**SUMMARY OF BILL:** Increases, from 200,000 to 335,000, the population threshold for determining counties that are prohibited from the retail sale of Class C common fireworks.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Increasing the threshold to 335,000 will include Rutherford County as a county in which Class C fireworks can be sold.
- Currently, Rutherford County has an exemption allowing the sale of Class C fireworks despite its population being greater than the current threshold of 200,000. The proposed legislation deletes the exemption codified in Tenn. Code Ann. § 68-104-112.
- This bill will allow continued sale of Class C fireworks in Rutherford County; therefore, any fiscal impact to state or local government is not significant.
